## ASSOCIATION TO BENEFIT CHILDREN

The Association to Benefit Children (ABC) was established in 1986 to champion the right of every child to a positive, nurturing childhood. ABC creates program models that are nationally replicable, humane, comprehensive and cost-effective and include family preservation, early childhood education, health, housing, mental health and youth services. Through them and through widespread advocacy, ABC has achieved far-reaching public policy reform to bring relief, tenderness, joy and hope to disadvantaged children throughout America.

ABC's programs include: Cassidy's Place, The Graham School, The Jamie Rose, The Keith Haring School, Merricat's Castle School, Variety Cody Gifford House, Echo Park Early Childhood Center, All Children's House Family Center, Rosie & Harry's Camp, Youth Services, Fast Break, Family Resource Center and an Open Door to the community as a refuge and resource for destitute families.

The late Harry (HOH) Frelinghuysen, who inspired the Holiday Skating Party 20 years ago, is beloved.
